2.2 - DRIVE LINE	24
2.3 - MAIN BODY	25
2.4 - TOP LINK.....	26
2.5 - LATCHING.....	27
2.6 - SPOUT ADJUSTMENT	28
2.7 SPOUT	30
2.8 - DIVERTER	31
2.9 - BOTTOM BOX.....	33
2.10 - PTO.....	34
2.11 - ATTACHMENTS	34
2.12 - BRASS GATE VALVE	36
2.13 - CAPS & PINS	38
2.14 - STICKERS	39

SLURRY PUMPS

WHAT PUMP DO I HAVE?

There are three ways to identify what size of pump you have.

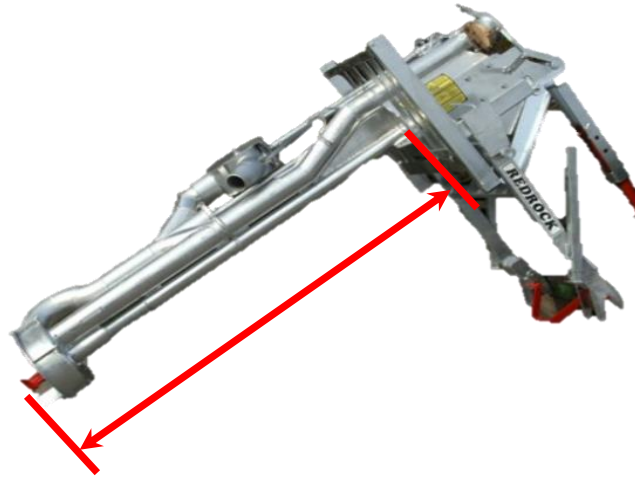

(1) – Look at the serial plate

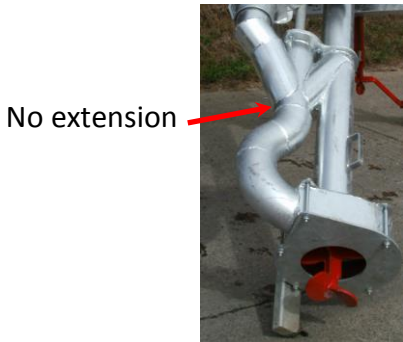

This tells you the length of the pump in feet

(2) – Measure the pump. Please see figure below.

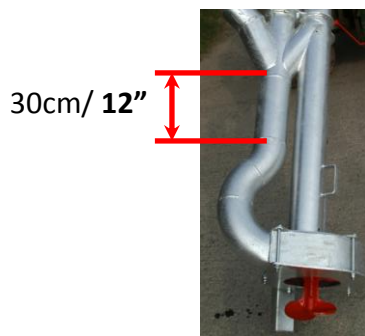

Measure from underneath the safety grid, when it is in the highest position to the stopper point on the bottom box, at the rotor.

(3) Look at the piping at the bottom of the pump

7ft / 2.10m

8ft / 2.40m

The length increases on the pumps at the piping at the bottom.

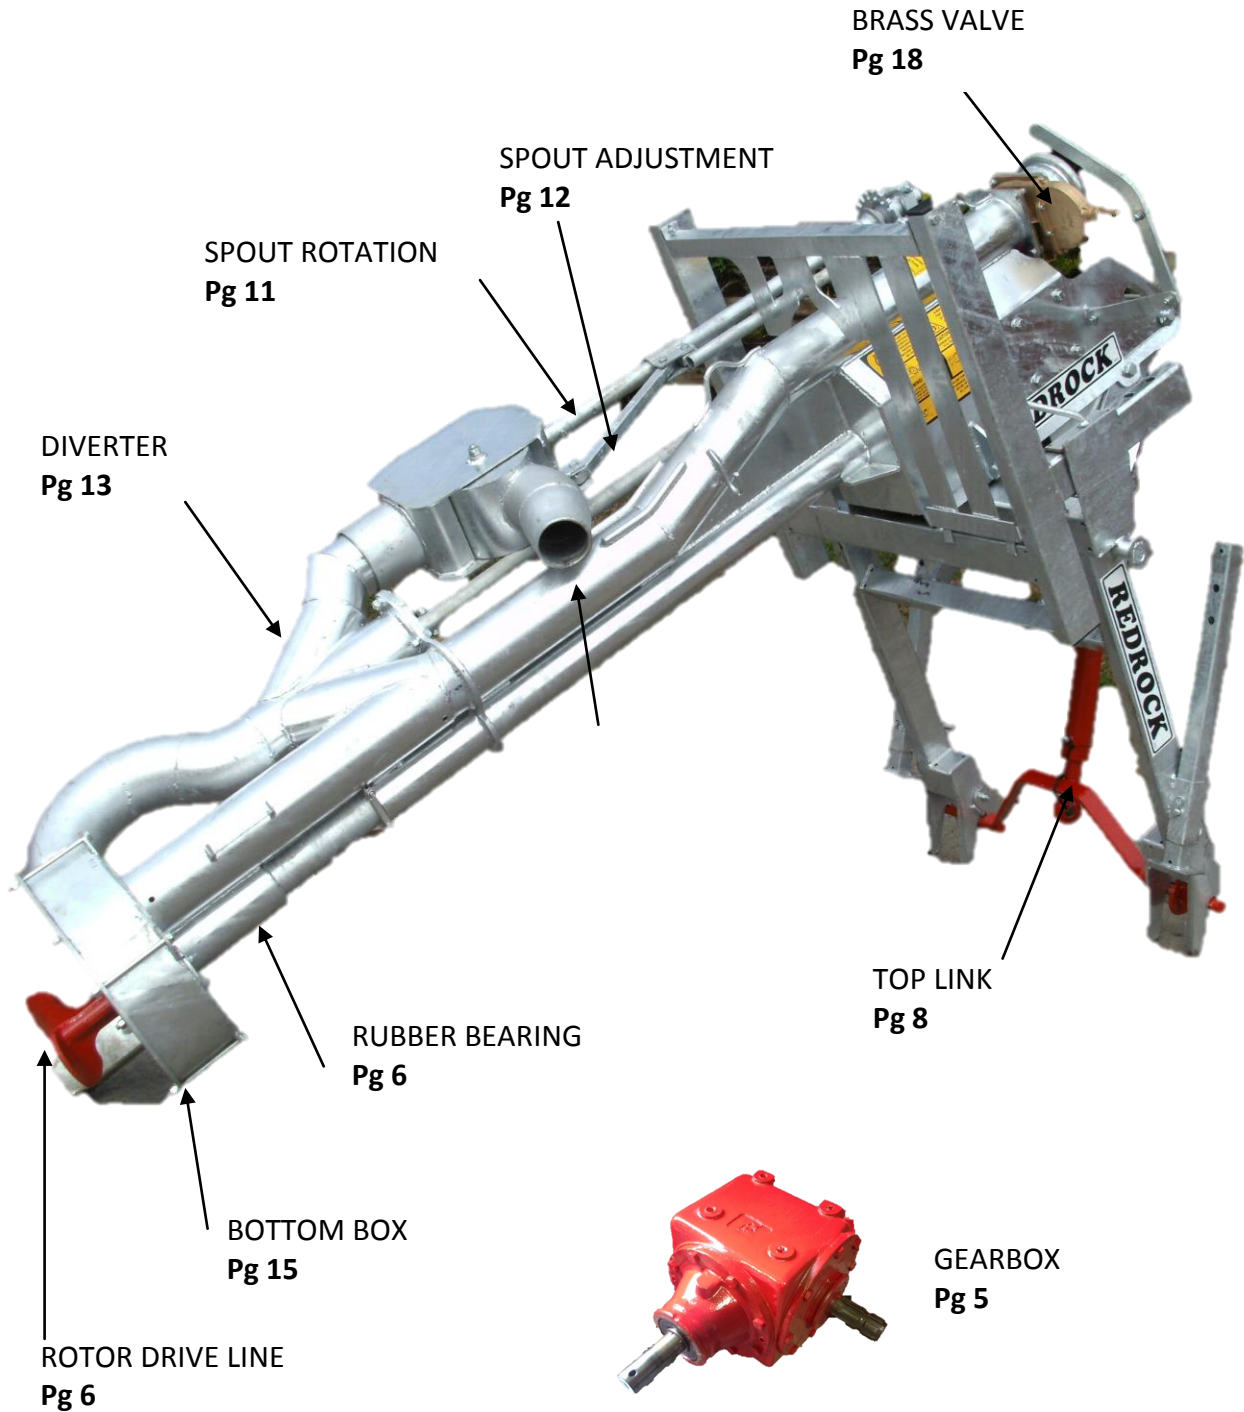

- 7 foot / 2.10m – no extension
- 8 foot / 2.40m – 12" / 30cm extension
- 9 foot / 2.70m – 24" / 60cm extension
- 10 foot / 3.00m – 36" / 90cm extension

77 Redrock Road,
Collone, Armagh,
N. Ireland BT60 2BL
